

Dear Dawn

On behalf of St Agnes GAC I would like to thank the Ulster Bank Andersonstown for their generous £75 donation towards the trophies for our recent U16 football tournament. Entering our 60th year, St Agnes GAC is a small club situated in the heart of Andersonstown and has a long and proud tradition in the provision of Gaelic games to the youth of St Agnes parish. The club relies entirely on fundraising activities of members and the generosity of the local business community of St Agnes to meet the substantial costs of entering teams from U8 through to U18 and into the senior ranks of the club.

The U16 football tournament, which you provided a donation towards, was conducted on Sunday 26th September 2010 at St Agnes pitch in Woodlands. Joining the St Agnes U16 team in competing for the inaugural competition was St Patrick's Lisburn, Eire Og and Pearce's. The fiercely competitive opening rounds resulted in St Agnes and Eire Og winning through to the Cup final and St Patrick's Lisburn and Pearce's contesting the Shield final. In the Shield final a strong St Patrick's team over came a youthful Pearce's team to claim the Shield win. In a sparky Cup final encounter Eire Og avenged their opening round defeat by St Agnes to claim victory. The Andersonstown News took pictures of the tournament and hopefully these will appear in the next edition

All who participated in the tournament thoroughly enjoyed the day. Some pictures of the event are attached to this letter. Your donation to St Agnes GAC has made this event possible and enables the club to continue to have a very positive influence, through participation in GAA sports, to the lives of many young people.

I appreciate that budgets are constrained and there are many worthy causes and therefore thank you again for supporting your local GAA club. I hope we can collaborate together to our mutual benefit in the near future.
